JABALPUR (M.P.)**

"We are delighted to announce that the team of Ms. Rashmi Mishra, Ms. Srishti Agrawal and Ms. Isha Srivastava, second year learners from our institution, have been adjudged as the Runner-up at the SHRI I.M. NANAVATI MEMORIAL NATIONAL MOOT COURT COMPETITION, 2023 organised by GLS University, Ahmedabad.

The students have expressed their gratitude to the Moot Court Committee and faculty members Dr. Gargi Chakraborty Ma'am and Mr. Ashit Srivastava Sir for their consistent help during preparations. We thank both of them for extending their support to the team and helping them achieve this feat.

It is wonderful to see our students engaging in such activities and bringing laurels to the institution. The development of mooting culture in the University keeps all of us at MCC motivated and inspires us to continue striving for excellence in this field.

We congratulate the team on their success and sincerely hope that we achieve more such results in the years to come."
