

# DHARMASHASTRA NATIONAL LAW UNIVERSITY JABALPUR (M.P.)

(Established by Madhya Pradesh Act No. 24 of 2018)

Organises

## A Two-Day Regional Workshop

on

# THE BIOLOGICAL DIVERSITY ACT

Sponsored by

UNDP-GEF (Global ABS Project)

1st & 2nd February 2019

### About UNDP-GEF Project

United Nations Development Programme (UNDP, hereafter) works in around 170 countries and territories to eradicate poverty, inequalities and exclusion. The UNDP Global Environmental Finance (UNDP-GEF) Unit is constituted to support countries with simultaneous eradication of poverty and significant reduction of inequalities and exclusion, by catalysing environmental finance for sustainable development. The main motive of this unit is "strengthening human resources, legal frameworks, and institutional capacities to implement the Nagoya Protocol" and help countries to develop strong policies, skills, partnerships and institution to sustain their progress. One of the main purpose of Nagoya Protocol is the fair and equitable sharing of the benefits arising out of the utilization of genetic resources. It is a three year project which aims to assist the nations in the implementation of the Nagoya Protocol. Through various programmes as workshop, training, advocacy and awareness-raising events, etc., the project increases knowledge and understanding of the objectives and obligations of the Nagoya Protocol and facilitate the stakeholders to implement effective laws and guidelines, negotiate agreements, and monitor and enforce compliance.

### About the Workshop

We should "Glory be to God for dappled things" of the universe in which every creation of God is unique and interdependent to one another, especially Man/Kind and Nature. The distribution of Nature is highly diversified on the globe and the harmonious balance between Human and Nature always facilitates life on earth.

It is observed that to serve our personal interests; we challenge the supremacy of nature and bring destruction of life. Extensive growth in population and human needs has challenged to manage with limited natural resources on earth and drastically influenced our eco system. Most of the time, we disregard the importance of nature for life.

To harmonies the interrelation between human and nature and its sustainable development, the UNDP Global Environmental Finance (UNDP-GEF) Unit partners has taken various initiatives to patron and promote sustainable development and management of ecosystem and to improve environmental condition of the Earth. This workshop is an outcome of the support of UNDP-GEF project. It is an effort to create opportunities to widen the understanding amongst the stakeholders about the concerns of Biological Diversity and its interrelated issues. The main theme of this workshop is the Biological Diversity Act. In 2002, this act came in existence for "the conservation of biological diversity, sustainable use of its components, and fair and equitable sharing of the benefits arising out of use of biological resources, knowledge and for matters connected therewith or incidental thereto".

Biodiversity is a multidisciplinary area that involves various disciplines as biology, sociology, law, environment, literature, engineering, medical, etc. They all mainly concern with the preservation of life and nature.

As Madhya Pradesh is considered as a goldmine of biodiversity, this workshop is crucial to enhance the awareness among the policy maker, environmental thinkers and stakeholders. It is primarily concerned to focus on the issues related to the Biological Diversity Act and its implementation at grass-root levels and brings sensitivity towards the global destruction of nature and biodiversity loss threatening all forms of life on Earth. It will provide an opportunity to the environmental thinkers,

scholars, law makers, scientists, academicians, research scholars to explore their awareness about the Biodiversity Law and its impact. It focuses on planning and implementation of the biodiversity at local and global level and to address the concern and remorse of the experts.

To develop comprehensive understanding among the participants, the issues as importance of ecology and biodiversity conservation, threats and challenges of biodiversity, Biodiversity Law of India, enforcement and compliance of Biodiversity Law at grass root levels, etc. are designed. This workshop will cover the following sub-themes:

- Issues of interpretation, enforcement & compliance of the Biodiversity Law in M.P & India
- Biodiversity Governance and management: a local perspective
- Biodiversity Governance and management: a global perspective
- Scope of Law Practice in Biodiversity Law regime
- Access & Benefit sharing mechanism under the Indian Biodiversity Law
- Mechanism to deal with Biodiversity Offences
- Issues concerning Prior Informed consent

[Detail schedule of the sessions and experts will be updated to the registered participants by mail.]

### Aims and Objective of the Workshop

This workshop aims to develop a platform among the stakeholders and decision makers to address, to interrogate, and to understand the various aspects of Biodiversity Law and provide an opportunity to take the advice from the experts for better understanding. It also aims to assist participants to broaden their understanding about the importance of Biodiversity and its implication on human life as well as to understand the Biological Diversity Act. The objective of this workshop is to enable participants:

- To explore the Governments initiatives at local as well as global level to protect and promote biodiversity;
- To develop a comprehensive understanding about Biodiversity frameworks and plans by the experts of this area;
- To engage all sectors and stakeholders, local and central governments, environmentalist, scholars in support of biodiversity conservation and its sustainable use.

### Method

This workshop will use the following methods to explicate the themes:

- Interactive Method
- Training cum teaching approach
- Case illustration
- Documentary
- Debate and discussion
- Plenary sessions

### Participation Criteria

Anybody who is interested to learn, to share, to plan, and to suggest in this regard, is welcomed in this workshop. It will provide you a platform to interact, to interrogate, to suggest and to dialog with the decision-makers, stakeholders, law experts, environmentalists, thinkers

and scholars to develop a strategy to Save Nature & Save Life. The total number of participants' intake is 60. Interested participants are requested to send the filled in registration form positively by 20th January 2019 to <workshop@mpdnlu.ac.in>. For detail please visit <www.mpdnlu.ac.in>. The selection of participant is based on 'first come first served' basis. Selected candidates will be intimated by mail after 21 January 2019. It aims to develop an understanding of Biodiversity Law in the country and is especially targeted towards Law Students, Students from Agricultural science, Engineering, Biological Science, Social Sciences Research Institutions etc. from various regions of Madhya Pradesh and to initiate multidisciplinary discourse on various issues of biodiversity conservation and protection with special reference to Madhya Pradesh.

### Venue - DNLU Multipurpose Hall

### About the University

Dharmashastra National Law University, Jabalpur (DNLU, hereafter) is the second National Law University of Madhya Pradesh which came into existence by the Madhya Pradesh Dharmashastra National Law University Ordinance (5 of 2018). The foundation stone of the University has been unveiled by Hon'ble Chief Justice of India, Shri Dipak Misra, on 30th June 2018 in the august presence of Shri Ravi Shankar Prasad, Hon'ble Union Minister of Law and Justice, Shri Shivraj Singh Chauhhan, Hon'ble Chief Minister of M.P., Shri Justice Hemant Gupta, Hon'ble Chief Justice of the High Court Of Madhya Pradesh, Shri Justice Rajendra Menon, Hon'ble Chief Justice of the High Court Of Judicature at Patna, Shri Justice R.S. Jha, Hon'ble Judge In-Charge Judicial Education, M.P. and other dignitaries of legal fraternity across India.

120 acres of land in the lush green and pleasant surrounding at village Pipariya adjacent to the Jabalpur Airport has been allotted to the university to establish a state of art infrastructure, equipped with all modern amenities as green and clean campus, technically equipped classroom, e-library, language lab, auditorium, seminar hall, moot court, theatre and music hall, parks, fully furnished air conditioned hostel, cafeteria, gymnasium, parks, mess and others. DNLU has started its first academic session (2018-19) at the Bharat Ratna Bhim Rao Ambedkar Institute of Telecom Training (BIRRAITT, hereafter), Ridge Road, Jabalpur. BIRRAITT is the apex training institute of Bharat Sanchar Nigam Limited, well known for delivering quality trainings in the field of Telecommunication, OTC, Mobile, Data Communication, IT, etc., along with its state-of-art equipment of latest technology labs. It holds the pride of being the oldest training centres in the field of Telecommunication in Asia. It has a clean, green, fully safe and secured campus. In the temporary set up at BIRRAITT, DNLU has established a fully furnished academic block, classrooms, seminar hall, auditorium, library, canteen and made proper arrangement for indoor and outdoor sports facilities. The University has separate hostel facilities for boys and girls. Air conditioned accommodation is available for girls. Both hostels are situated in the vicinity of the University campus at a walkable distance from the university.

### Participation Fee

There is no registration fee to participate in this workshop. Participant who wants to take registration with accommodation and dinner need to mention it in the registration form clearly and it may be arranged on payment basis, in guest house or hotels. The detail of the Guest house and hotel with price detail will be updated to the registered participants by mail.
